## **GENERAL OBJECTIVES OF TKDC FOR GENDER SENSITIZATION**

Tatyasaheb Kore Dental College And Research Center, New Pargaon through its proactive faculty, staff and students annually look into the following objectives for gender sensitization -

- Promote communications that represent unbiased representation of gender equity.
- Promoting communication with respect for human dignity and social responsibility.
- Conduct workshops that promote diversity and gender sensitive communication employees.
- A senior role in every campus that faculty and student can reach out in matters of need related to gender related communication.
- Monitoring and evaluation mechanisms for reimplementation and their follow ups
- Conducting regular awareness – raising activities among students and staff.
- In classes, faculty members promote working together, equal opportunities for leadership roles, facilitate unbiased participation, no gender bias in team project, promote students meeting with faculty, having open and closed sessions with faculty members of the appropriate gender for related scenarios , complains and counselling during class hours and at hostels .
- A network of gender equality advisors facilitated by our center for Women Empowerment and gender equality.
- Our code of conduct promotes gender parity at the governance level .
